Administrative TIP Amendment Request FY 2021/22 – 2025/26
FM# 437832-4 SR-93/1-75 FROM SHERIDAN STREET TO GRIFFIN RD. AUX
LANES**

Dear Mr. Stuart:

The purpose of this letter is to request that you approve an administrative amendment to the Transportation Improvement Program (TIP) for FY2021/22 through 2025/26 TIP to reconcile differences between the TIP and the Department's Adopted Five-Year Work Program. As you are aware, the FY2022/23 through 2026/27 TIP will not become recognized effective for federal purposes until October 1, 2022. Until then, the FY 2021/22 through 2025/26 TIP will be used by FHWA and FTA for authorization of funds. The differences between the two documents need to be reconciled so that your current TIP includes the most accurate and up-to-date information.

This request follows the process outline in Federal Aid Technical Bulletin 04-01, dated June 10, 2004. All of the project information contained in this request is exactly as it appears in the FY 2022/23 through 2026/27 TIP that was approved by your Board on July 14, 2022. Your approval for this request will eliminate the differences between the two documents for federally funded projects that could require federal authorization before October 1, 2022, as well as confirm their consistency with the Broward's MPO current Long Range Transportation Plan (LRTP). This process will not replace the usual committee review and Board approval that is followed for regular TIP amendments that are required at other times of the year. This action will simply reconcile the documents for the period between the beginning of the State and Federal fiscal years.

The project submitted for your approval is as follows:
