TIP Modification Request FY 2022/23 – 2026/27

SAMPLE ROAD**

Dear Mr. Stuart:

Pursuant to *Part IV – Chapter 5: Statewide and Local Transportation Improvement Programs (STIP and TIP) of the Work Program Instructions*, the Florida Department of Transportation (FDOT) requests your processing and approval of the attached modification to the FY 2022/23 – 2026/27 Transportation Improvement Program.

This modification is for funds that are being added that do not exceed the 20% AND \$2M threshold which does not meet the criteria for a formal TIP/STIP Amendment and needs to be reflected in the TIP. This is a resurfacing project which is currently in the Preliminary Engineering design phase. The reason for this modification is to reflect the inclusion of federal funds in FY2023 in order to complete the design process.

This Transportation Improvement Program Modification should be consistent with the Adopted Long-Range Transportation Plan. The adopted TIP remains financially constrained. The TIP modification is as follows:
