

## NOTICE OF PUBLIC MEETING

The Federal Highway Administration (FHWA) and the Federal Transit Administration (FTA) will hold a public meeting in coordination with the Broward Metropolitan Planning Organization (Broward MPO) regarding the MPO's Federal Certification Review. Representatives from the FHWA and the FTA will be present and are interested in hearing from the public. The primary purpose of the review is to certify that the MPO is satisfactorily meeting the planning requirements as defined in Federal laws and regulations. The review also provides FHWA and FTA the opportunity to add value to the MPO's planning processes through the sharing of best or innovative planning practices, techniques, and/or technology.

This is an opportunity for the public to express their thoughts and comments about the transportation planning process; to allow the Federal Review Team to obtain a better understanding of the community's issues; and to inform the public about the Federal transportation planning requirements.
