

FISCAL YEAR  
**2020**

**MUNICIPAL SURTAX**  
CAPITAL PROJECTS PRIORITIES

**Legend:**

Project Ranking - #1-110 represent MPO recommendations for fiscal year 2020 and consider construction readiness and utilized “rounds” to ensure equity among municipalities. Project #111-510 have not been evaluated for funding readiness and require additional evaluation and analysis. They also include city requested “holds” and “swaps.”

Municipality—requesting/sponsor municipality

Project Number—a unique project identifier. Projects with numbers that include “.x” reflect multi-part projects.

Project Name—provided by municipality

Work Mix—primary type of work

Phase—Municipality identified first phase of work (Planning, Design, Right-of-way, or Construction) required.

Fiscal Year 2020 Recommendation—indicates recommend year and phase of work being recommended. Projects identified as Rank, Swap or Hold have not been reviewed for funding readiness and require additional analysis before being recommended for funding in future fiscal years.

Surtax Plan Estimate—cost estimate provided by municipality to County when originally submitting project for inclusion in the Surtax Financial Plan

Recommended Phase Funding—dollar amount being recommended for funding based upon the Phase required (see notes on calculations) and latest cost estimates provided by municipalities. This amount does not fully fund projects except in the case of construction phase projects.

**Notes:**

(1) The Municipal Surtax Capital Projects Priorities (Fiscal Year 2020) was developed by the Broward MPO Surtax Services in partnership with the municipalities in Broward County. All project information was provided by the municipalities.

(2) All projects were provided by Broward County and were contained in the Surtax Plan approved by the voters in November 2018.

(3) The Municipal Surtax Capital Projects Priorities (Fiscal Year 2020), consistent with the Surtax Ordinance, the Tri-Party Interlocal Agreement, and Bi-Party Interlocal Agreement, is the output of the data-driven ranking tool utilizing the evaluation criteria, point distribution, and program readiness approach established in coordination with the municipalities.

(4) Projects with numbers that include “.x” reflect multi-part projects.

(5) As directed by Broward County, the following percentages are used to calculate the recommended phase funding since the projects in the Surtax Plan are assumed to be the total cost of the required phase(s) to complete the project:

- Planning: 3% of the total cost of the project in the Surtax Plan.
- Design: 12% of the total cost of the project in the Surtax Plan.
- Construction (includes CEI): 85% of the total cost of the project in the Surtax Plan.
- Right-of-way phase costs are project specific.

(6) The Broward MPO Surtax Services selected the Cycle 1 (Fiscal Year 2020) funding goal of \$70 - \$80 million of the total \$120 million available (30-Year Surtax Financial Plan) since the County did not provide specific guidance. This goal was selected to allow for adequate funds for Community Shuttle Bus and Rehabilitation and Maintenance projects to be funded by the County.

**Notes:**

- (1) The Municipal Surtax Capital Projects Priorities (Fiscal Year 2020) was developed by the Broward MPO Surtax Services in partnership with the municipalities in Broward County. All project information was provided by the municipalities.
- (2) All projects were provided by Broward County and were contained in the Surtax Plan approved by the voters in November 2018.
- (3) The Municipal Surtax Capital Projects Priorities (Fiscal Year 2020), consistent with the Surtax Ordinance, the Tri-Party Interlocal Agreement, and Bi-Party Interlocal Agreement, is the output of the data-driven ranking tool utilizing the evaluation criteria, point distribution, and program readiness approach established in coordination with the municipalities.
- (4) Projects with numbers that include ".x" reflect multi-part projects.
- (5) As directed by Broward County, the following percentages are used to calculate the recommended phase funding since the projects in the Surtax Plan are assumed to be the total cost of the required phase(s) to complete the project:
  - Planning: 3% of the total cost of the project in the Surtax Plan.
  - Design: 12% of the total cost of the project in the Surtax Plan.
  - Construction (includes CEI): 85% of the total cost of the project in the Surtax Plan.
  - Right-of-way phase costs are project specific.
- (6) The Broward MPO Surtax Services selected the Cycle 1 (Fiscal Year 2020) funding goal of \$70 - \$80 million of the total \$120 million available (30-Year Surtax Financial Plan) since the County did not provide specific guidance. This goal was selected to allow for adequate funds for Community Shuttle Bus and Rehabilitation and Maintenance projects to be funded by the County.
