Broward Complete Streets TOUCH Initiative Technical Advisory Committee

Monday, April 9 at 2:00PM - 3:30PM
Summary/Minutes

| | | |
|--|---|---|
| <p>iii. Media/Municipal Website reports</p> <p>iv. Bike Month activities</p> <p>v. Smart Growth Partnerships</p> | <p>Complete Streets.</p> <p>PG Smith thanked the TAC members that have posted the MPO newsletter article on their website. More than a half dozen cities have broadcasted Complete Streets information.</p> <p>M. Horowitz reported that March featured 66 bike month activities and that the Complete Streets information was well received</p> | <p>Oakland Park Boulevard 33319 Email tara@smartgrowthpartnership.org for more information.</p> <p>C. Ryan asked members to send him images of public engagement or relevant topics to be used in the Guidelines</p> <p>Please contact G. Katz if you are interested in learning more about the Smart Growth ordinances or receiving technical assistance.</p> |
| <p>Complete Streets Guidance Document</p> | <p>S. Robertson presented Guideline chapter updates. These all can be found on the Complete Streets website: www.browardcompletestreets.org</p> <p>Revisions of Chapter 2: Vision, Goals, Policies and Benchmarks. References to CA were replaced with Broward. References to directors or specific departments were changed to local government.</p> <p>Chapter 15: References to CA were replaced with Broward. Transportation Outreach Planner was incorporated as well as an overview about the MPO and the role it plays in public engagement. Ultimately, Chapter 15 will become Chapter 3 to show the weighted emphasis Broward places on public engagement. (The updated chapters can be found on www.browardcompletestreets.org)</p> | <p>Additional Changes to Chapters 2 and 15 will include input from surveys and public workshops.</p> <p>The team will take the input and incorporate it into the guidelines for the TAC's review in May.</p> |

Broward Complete Streets TOUCH Initiative Technical Advisory Committee

Monday, April 9 at 2:00PM - 3:30PM

Summary/Minutes

| | | |
|------------------------|---|---|
| | <p>Members then broke up into groups to have in-depth discussions about their assigned chapters. Each group reported out its proposed changes, which can be found in the Power Point presentation on the Website.</p> | <p>May assignment are provided below.</p> |
| <p>Public Workshop</p> | <p>Public Workshop series handout distributed and posted on website.</p> <ol style="list-style-type: none"> a.
