Notes:						Qualifying Activities:			
(1) - All critical projects require design and CEI to be performed by FDOT pre-qualified consultants. This stipulation applies to the entire project - not just the portion that makes the project critical. Also, please make note that the design and CEI work must be done by different consultants.				Full Funding Available		(1) - Construction of on-road and off-road trail facilities for pedestrians, bicyclists, and other non-motorized forms of transportation, including sidewalks, bicycle infrastructure, pedestrian and bicycle signals, traffic calming techniques, lighting and other safety-related infrastructure, and transportation projects to achieve compliance with the Americans with Disabilities Act of 1990.			
(2) - Total Transportation Alternatives Funds Available are subject to change.				Partial Funding Available					
TAP Funds Available for FY 17/18: 4,407,749.50						General Notes:			
TAP Funds Used by Fully Funded Projects: 3,648,409.64						Please note that the Total TAP Funds requested includes: FDOT In-House Support for Design and Construction, FDOT Oversight CEI (3% of Total Construction Budget - Local and TAP Funds), CE&I requested funds, and the requested funds for construction.			
TAP Funds Remaining for Partially Funded Project (NW 64th Avenue): 759,339.86 (Funding shortfall of 240,660.14)				Ineligible Application
