

## MEETING SUMMARY

**EVENT:** Hollywood Gardens West Civic Association Meeting

**DATE/TIME:** Thursday, September 10, 2015 at 7:00 PM

**LOCATION:** St. George Greek Orthodox Church

**PRIMARY AUDIENCE:** Local residents

**ESTIMATED NUMBER OF PEOPLE REACHED:** 10-15

**SUMMARY OF EVENT:**

The project team representative reviewed the project fact sheet with the meeting participants to provide some background information on the project. The meeting participants made several comments about the current construction project on State Road 7. The questions received at this meeting were in reference to the current construction and if there were opportunities to make recommendations for left turn and bus pull offs. The Association Vice President stated that he has invited FDOT representatives to attend an upcoming meeting to address questions on the current construction issues. It was explained to the participants that this project along SR 7 is currently in the planning phase and the project team is gathering data to determine what type of changes or improvements may be made to the corridor in the future.

The residents were encouraged to complete the comment sheets provided, log on the website and “opt in” for text message alerts. Each participant attendee received the project fact sheet, comment sheet and business card. The presentation and question/answer session lasted for approximately 30 minutes.
