Project Partners

Project Overview

- Five (5) crossing locations along the FEC Railway
- Examines how to reconnect neighborhoods on both sides of the tracks
- Funded through the Department of Transportation's Reconnecting Communities Pilot (RCP) program
 - Funds: Technical Studies, Community Engagement, Feasibility Analysis, Visualizations, Coordination

Goals

Improve safety for all by addressing roadway, intersection, and crossing concerns.

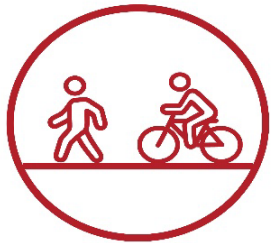

Harden infrastructure with drainage and stormwater upgrades.

Reduce congestion and improve traffic flow through enhanced traffic signal coordination.

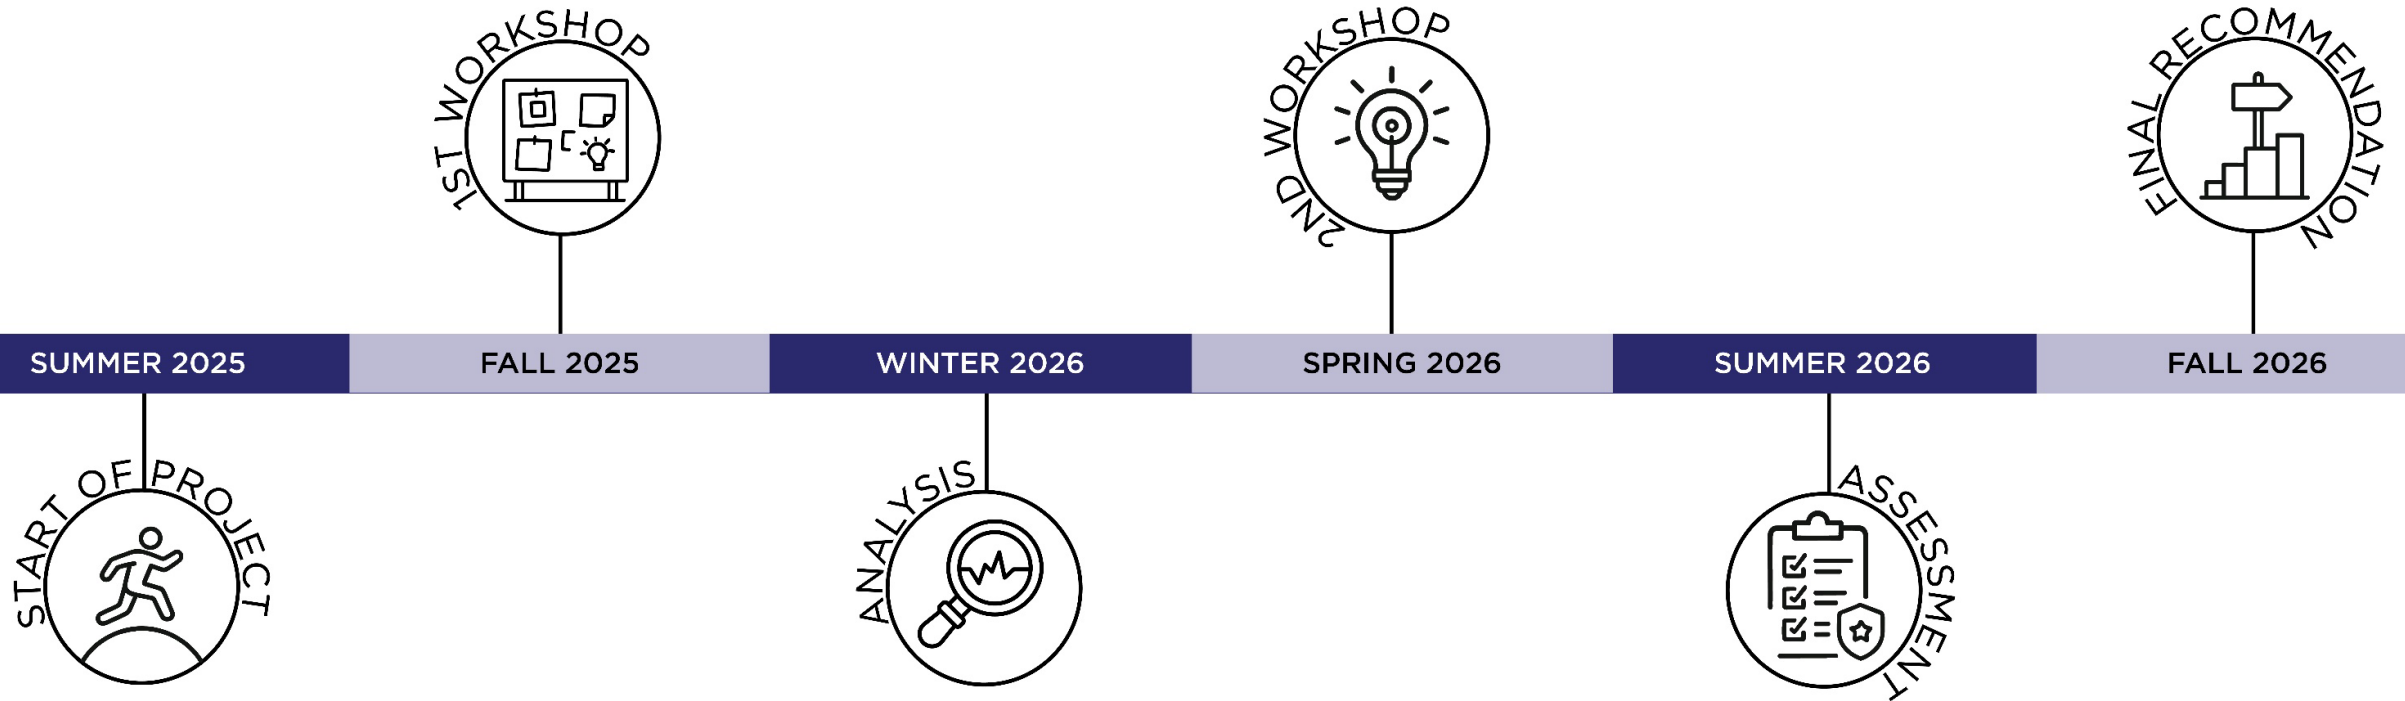

Ensure local input guides project decisions by engaging the community.

Creating safer, more accessible routes by expanding walking and biking connections.

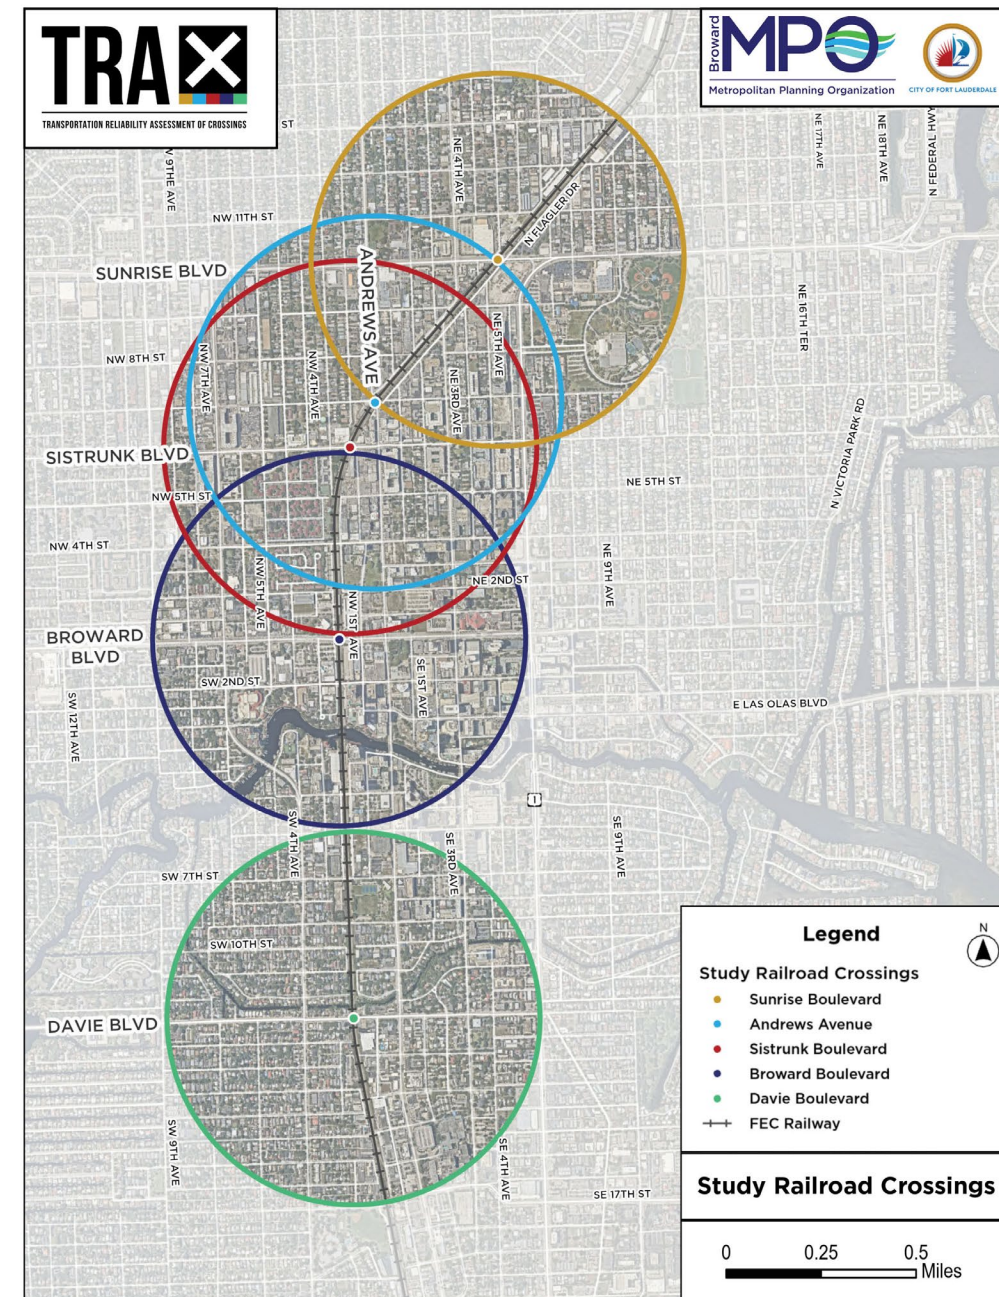

Project Timeline

- Multiple rounds of public engagement
